OUR EXPOSITION (WHAT WE DO)

We are a team of technically well equipped builders primarily based on the congenial parts of Coimbatore, Tirupur and Pollachi areas. We excel in bringing your dream edifices to real life premises through our expertise. We specialize in embellishing corporate buildings and commercial structures with ultimate professional touch. We also garnish individual villas, private apartments as well as flats with a touch of elegance as per the clients' wish.

With more than half a decade of work experience up our sleeves, we are also capable of providing services to business people. Our services also include designing unique corporate cabins and banking cubicles for our corporate oriented clients. As far as businesses are concerned, our work areas also cover hotel designs, bakery modeling, lodge interiors, etc.

OUR METIER (SPECIALITY)

We, at Timber Nests, take so much pride in our work that includes abundant innovation which roots and results in modern as well as meticulously crafted interior designs. Our primary consideration is working around our client's needs and getting them accomplished within their desired budget rather than categorizing our budget on our valuable clients. We are well known for our usage of latest and superior brand quality to fit in with our customer needs.

We are always looking forward to brainstorming and integrating the brand specialities into our clients' thoughts in order to get the best outcome. We will, at all costs, make sure that our clients are fully aware of the current market's best materials and choices before making the ultimate decision. With that being said, all the decisions irrespective of its value is up to our most valued customers.

Our team of designated designers will be with our customers throughout the process and we are always available for support unapologetically. Our way of working is based on understanding the ultimate need of our clients and providing quality support during the entirety of the process.

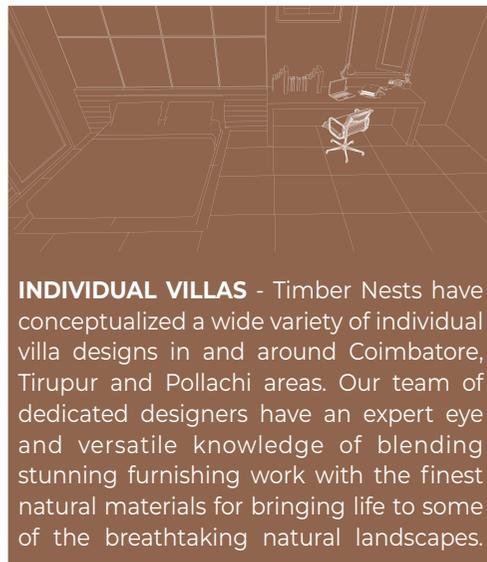

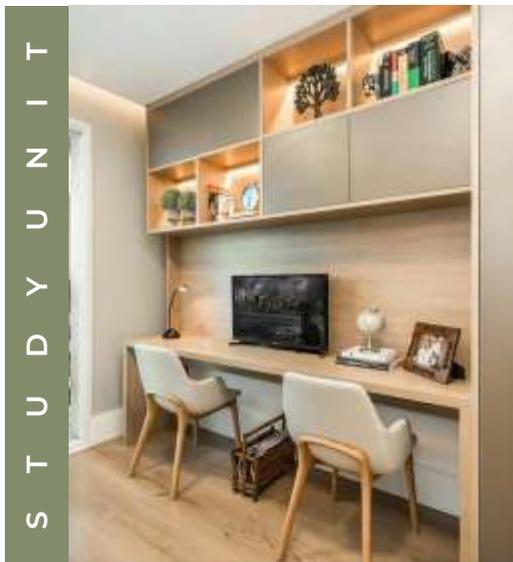

F O Y E R

We believe that every single Armoire is an extension of one's self personality and attitude. Which is why Timber Nests puts in extended work into it to represent our valuable clients in the best way possible. We provide our clients with separate accommodation for individual apparels along with some room for closets and lockers for storing valuables as well.

Apart from providing unique apparel spaces, we also design wardrobes with sufficient hanging spaces, smooth sliding shelves and drawers. We consider the opinion of our clients in a detailed manner before executing the wardrobe design. We always make sure to put in the best materials to the wardrobe and cope it up with the interior of the rooms in which they are installed.

INDIVIDUAL VILLAS - Timber Nests have conceptualized a wide variety of individual villa designs in and around Coimbatore, Tirupur and Pollachi areas. Our team of dedicated designers have an expert eye and versatile knowledge of blending stunning furnishing work with the finest natural materials for bringing life to some of the breathtaking natural landscapes.

APARTMENT & FLATS

Creating a perfect apartment with soothing interior design is quite a unique task to pull off. Which is why Timber Nests always makes sure to blend the right amount of space along with global architectural designs in order to reap the desired outcome. We ensure our customers with dramatic transformation using sleek urban designing and state of the art interior works.

We take great pride in transforming blank canvas into a dream flat with flair, flexibility and precision. Our designers are prepared to compost the perfect interior design for getting striking results. We provide our clients initially with a flexible plan for them, as an apartment owner to define their input in the layout. We further proceed based on their needs and requirements.

DRESSING UNIT

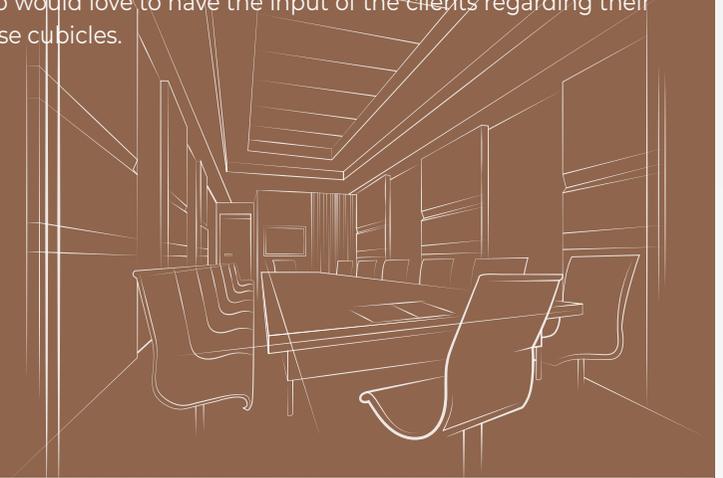

With our ultra modern interior concepts, we always come up with elegant living spaces for entertaining family occasions by combining top level comfort with superior style. Our significant group of designers have considerable experience in delivering exclusive outdoor spaces which would be stylish and entirely functional.

BANKING CUBICLES

Banking cubicles is one aspect where people usually do not find attractive. Well, we are here to make sure that perspective is changed from here on. Because, our team of dedicated designers have put together numerous banking cubicle layouts for the clients to choose from. We also would love to have the input of the clients regarding their vision for these cubicles.

With the rise of entrepreneurs across the country, we know the importance of a well designed corporate building. We understand that the work space ambience sets the ultimate attitude of any employee coming in for a day's work. In that regard, we try to understand the nature of the work type and the owner before putting in our design works.

We use premium quality boards for getting our designs in place and top it off with a touch of elegance to make the workers feel comfortable at all times. We are aware that corporate buildings consist of multiple areas and we have a wide range of versatile designs to match each and every sector of a corporate set up.

CORPORATE CABINS

Hotels are an essential part of our lives and we all need a good ambience before we put food in our bellies. Timber Nests provides superior hotel interior designs that are purely crafty along with a blend of classic touch to cover all range of customers. Our designers make sure that the customers would feel like home and make them relaxed before they go on and order the food. Check out our hotel layouts for more insights.
